

*Improving Your  
Standards of Living*

## ABOUT US

We service all of eastern Massachusettes and the surrounding areas which make-up our community. Each project is driven by the specific goal of helping our customers enhance their vision, converting their home or business, all while enhancing the community. We believe that your vision for what our homes or businesses can be, should not be limited. Our Foremen and Roofing Specialist are industry professionals who regularly attend seminars and training sessions, ensuring your options include the newest products and solutions to meet your intent.

During our one-on-one consultations, we take our services to the next level, identifying creative financing solutions as well as personally walking you through a process that allows you to feel comfortable with your decision from start to finish. Our one-on-one consultations are fun conversations and the key ingredient to our success and your fulfillment.

For us, customer satisfaction is not enough. We want you to love the results and your experience with us! By choosing Superior Exteriors, we help you realize your home improvement goals sooner, so that you have time to focus on what really matters – Family.

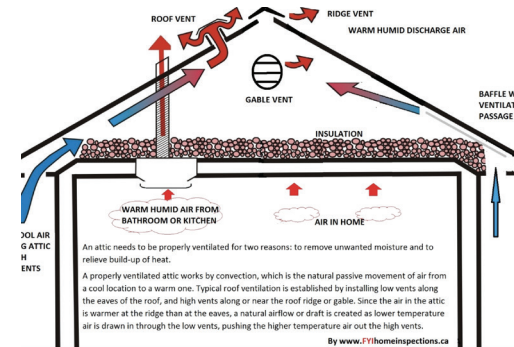

## ROOFING

There is a fine line between a good and great shingle. Superior Exteriors is a preferred partner of Owens Corning, which allows us to offer the best warranties and most reliable products, currently available. Other contractors are unable to do this. The difference between a good shingle and a great shingle is having SureNail® Technology, only available from Owens Corning on Duration® Series Shingles. Owens Corning® Roofing offers one of the best warranties in the industry. For added peace of mind, we make it fast and easy to learn about and compare our different roofing warranties, so you can find the best coverage option for your home.

## VENTILATION

Proper attic ventilation is critical to the long-term performance of your roof as well as the attic space directly under it. A properly ventilated attic can reduce cooling bills, extend shingle life and prevent mold growth, roof rot and ice dams in the winter. When an attic is properly ventilated it will reduce heat buildup during the summer months. Superior Exteriors installs ventilation systems that reduce cooling costs and prolongs shingle life. In the winter, warm moist air seeps into the attic from the living space below. Good ventilation allows the heat and moisture to escape, keeping your attic dry.

## SKYLIGHTS

Superior Exteriors offers a 10 year no leak warranty. We offer VELUX quality skylights which offer a complete line of skylight products and complementary accessories from installation to the finishing touches. Choose from a wide variety of skylight models to find the best skylight for your home!

## SIDING

We Protect Great Homes and Great Reputations. The LP SmartSide family, cared by Superior Exteriors, offers a complete line of exterior trim and siding products –including lap, panel, trim, fascia and soffit – that are engineered using advanced siding technology to give homebuyers the traditional look of real wood, while helping to protect their homes from harsh weather conditions and termites. Every step of the manufacturing process is designed to create a high-performance product that's tough and durable, so it performs beautifully for decades.

## WINDOWS

At Superior Exteriors, we sell and install a full variety of windows. We are an authorized replacement partner of numerous window manufacturers including Anderson, Simonton, Matthews Brothers, Marvin, Integrity, Harvey, to name a few. Our double-hung windows give you all of the energy efficiency and peace of mind that you deserve. Our ARC (Authorized Replacement Contractor) program better equips Superior Exteriors, Siding, & Windows to communicate and deliver a high-end solution and a superior value proposition for you. With the help of our factory-certified technicians, you can transform your home into the space you've always imagined! We are excited to work so closely with a company that upholds a mission similar to our own. We take pride in providing life-improving home improvement, while Marvin continues to imagine and create better ways of living. Together, we have the ability to make real changes in your day-to-day life at home.

## TRIM

Our trim is smooth, versatile, and durable from all sides. Our trim has a closed cell surface which shrugs off dirt, while “true square” edges result in clean installations. It's engineered with a Celuka-hybrid process that enhances durability. All in all, a compelling and architecturally correct way to embellish on, or completely transform, a homeowner's exterior. Superior Exteriors fine craftsmanship offers affordable, beautiful, maintenance free, trim.

## GUTTERS

Gutters formed to your exact measurements at your job site. Eliminate the need to transport gutters! Proudly offering 5” and 6” seamless gutters, gutter accessories, copper gutters, half round gutters, wood gutters and much more. We need to add more text here. We need to add more text here. We need to add more text here.

## DECKING & PERGOLA

Premium capped polymer decking, made without wood, that provides unparalleled performance while boasting unrivaled design — all backed by a Limited Lifetime Product Warranty and a 50-Year Limited Fade & Stain Warranty. Superior Exteriors also offers custom railings and beautiful undershade and top mounted pergola canopies, accommodating existing pergola lighting or ceiling fans.
